Dear Soldier,

Hey, My name is Cayla. I am in 7th grade. I live in Oklahoma. I am on the Dance team for my school. My grandpa was in the Air Force, and my cousin is currently serving in the Navy. He is stationed in Hawaii. I was raised to love my country and be thankful for the ones who fought for it. Yesterday in class we made Poppies. We made them for the veterans assembly we are having. As you can tell we appreciate you and your bravery. I might only be 12 but a lot of people say I'm mature for my age. I guess that's just the way I've been raised. Another thing about me is I'm Native American. I am really active in my culture. I even dance at powwows. When I get older I want to enlist in the Navy. I think that is the branch that interests me the most. I really hope you enjoy this letter. Thank you for your service.

Sincerely,

Cayla.
